

Calendar 2017

In cooperation with our partner The High Tech Institute (www.hightechinstitute.nl)

Premium	Advanced Motion Control 6-10 Nov.	Advanced Feedforward Control 4-6 Oct.	Design Principles Masterclass On request	Workshop Mechatronics System Design t.b.d.						
Advanced	Advanced Mechatronic System Design 22-29 Sep.									
Standard	Motion Control Tuning 15-22 Nov.	Design Principles Basics 19-23 Jun.	Design for Additive Manufacturing 17-19 May	Design for Ultra Clean Vacuum 18-21 Apr.	Dynamics and Modelling 27-29 Nov.	Experimental Techniques in Mechatronics 2-4 May	Metrology & Calibration of Mechatronic Systems 7-9 Nov.	Actuation and Power Electronics 14-16 Nov.	Machine Vision in Mechatronic Systems 11-12 Oct.	Thermal Effects in Mechatronic Systems 19-21 Jun.
Basic	Mechatronics System Design – part 2 3-7 Apr. (or 9-13 Oct.)									Summer School Opto Mechatronics On request
	Mechatronics System Design – part 1 27-31 Mar. (or 2-6 Oct.)
